### Local Nonagenarians

\* A nonagenarian is defined as a person between the ages of 90 and 99.

\* In our parish of St. Joseph's, Galloway, there are 9 members currently in their 90s. When you think of these people, you realize how much they've touched each of our lives in one way or the other.

We are grateful for their love and kindness, for their wisdom and strength, for their faith, for the lessons they have taught us, and for all they have given not only to St. Joseph's, but to the community of Galloway as well.

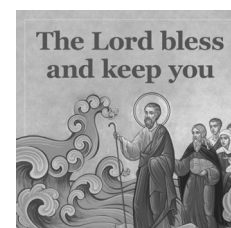

- Because of what they mean to us, we ask the Lord for a special blessing for each of them and their families, and ask you to keep these amazing people in your prayers.

- Come, Sunday, March 17, we will acknowledge and recognize the following at Mass, after Communion. Please come one and all to be a part of this recognition.

- In no particular order, their names: Lorraine Flees, Agnes Filtz, Ernie Bushman, Sadie Gruna, Mavis Bushman, Angie Jankowski, Viola Konkel, Pat Stroik, and Marianne Gann. God bless them.

- We would also like to remember 2 other members in their 90s who passed away a year ago and whose passing initially prompted conversations about this special group of people: Sally Lorbiecki and Emerick Zoromski. (May they rest in peace.)

- Special thanks to Brenda Flees who had the original idea and started a conversation with Mary Uttecht about it. Thanks to both.
