Celebrating Growth: The 156

parishes of our diocese have been taking Mass counts for over two decades. Average Mass attendance in 2025 was 42,952 - an increase of 1.5% from 2024. Even with a large number of deaths, our Mass attendance has increased each year for five straight years. Praise God!

Save the Date! Our first evangelization summit will be this Lent during the day on Tuesday, March 10, at Mary Mother of the Church in La Crosse. This will be an opportunity for those excited about being on mission to gather together, support each other, learn and grow in forming disciples who make disciples. Find more updates at <https://diolc.org/rebuildmychurch/updates/>

Mark your Calendars for Feb. 13!

Save the date for a special celebration of the Feast of Blessed Brother James Miller on Friday, Feb. 13 at Sacred Heart Church in Polonia. There will be a Mass celebrated by Bishop Battersby, a luncheon, and an expert panel discussion on the life and witness of Blessed Brother James and what his example means for our own outreach of love to our neighbor in need. A native of Stevens Point, Blessed Br. James served as a missionary in Central America, where he was martyred on Feb. 13, 1982.

Drop Your Nets and Be Free

There are times I wish I had no obligations. It would be great to take my wife's hand, hop in the car, and drive into the sunset. Where we were going would not matter as much as the fact that we would have nowhere we *had* to be. There would be nothing we *had* to do. No bills. No commitments. No problems. *Freedom!*

Life doesn't work like that, however. When Jesus came along and asked some fishermen to drop their nets and follow him, they did just that. Wow! In some ways, they experienced true freedom. That is what Jesus offers all of us. Yet, true freedom looks quite different than my dream scenario.

In living in the true freedom that Jesus offers, there are things we must do and places we must go. That is because freedom only exists in following God's will, not our own. We are called to be and called to give ourselves completely to God without reservations. We always have the free will to not respond to His call, but we will find that a negative answer may complicate our lives even further. God's path for us calls on us to give freely of what we have been given. Saying no to that call means we carry the weight of those gifts. We were never meant to keep them. The path of God's will may seem long and winding, but it is the one that leads us into that sunset. It is the way to true freedom.
