### Lenten Series – Jesus and the Eucharist Series!

You are invited to join a small group during Lent for the *Jesus and the Eucharist Series*. The seven sessions are outstanding in beauty and presentation with inspiring testimonies that draw participants to a deeper faith in the Real Presence of Jesus in the Eucharist. We meet Sundays after Mass through March 24.

### A Minute with Jesus:

**Jesus will help us believe what we cannot understand**

The Lord always comes in to strengthen and confirm our faith in response to our desire to believe. He actually even uses our hesitation in accepting His true Presence in the Eucharist to bring us to a deeper, more lively faith in the truth of this mystery. Let's pray this right now and every day this week: Jesus, please strengthen my faith to believe that You are truly present in the Holy Eucharist. This week, read how Jesus responds to those who are questioning the mystery of the Eucharist in John 6:52-59.

## Your input is requested!

With the ongoing Synod on Synodality, the Church values your feedback regarding how Church structures and organization further or hinder the Church's mission and how such structures can help all the baptized to respond to the call to proclaim the Gospel. Please take some time to offer consultation using an online questionnaire at <https://forms.office.com/r/SVPGxJChAv> Consultation must be received by March 20, 2024. Thank you for your participation.

## Everyday Stewardship

I have had the honor of coaching all three of my kids in soccer. When you are a coach of a team of little ones, along with the fundamentals of the game and good sportsmanship, you want to teach the value of teamwork. If they can learn about how a team functions and why working together matters, that lesson can benefit them for many years to come.

The Body of Christ is a type of team. We are all called upon to use our talents and gifts in such a way that they complement those of others. We are stronger and capable of so much more together than when we are apart.

Our stewardship isn't just about our personal call of God to cultivate our gifts and give them back with increase to Him. It is about how our stewardship way of life builds up the Body of Christ. The Body cannot function as God intended it to if parts of it are not fully giving of themselves. In community, we have the power to change the world around us because we bring the Gospel of Jesus Christ to those who need to hear it and witness it by our actions.

This Lent, consider how you fit into the Body of Christ. How can your gifts and talents make the Church stronger? You just might be the missing component of a team that really needs help to make the greatest impact for Jesus.
